858-679-8085 box office / www.powpac.org

Dear PowPAC Members, Supporters, and Friends,

Following the guidelines set forth by Governor Gavin Newsom, the California Department of Health, and San Diego County, with regards to the increasing challenges created by the coronavirus and COVID-19, PowPAC has decided to best serve our community by making the following changes to our 2019 – 2020 Season “PowPAC Goes to the Movies.” Our production of *Murder on the Nile* will be postponed to a production run of Friday, May 1 – Sunday, May 31, 2020.

Our production of *Arsenic and Old Lace* will be moved to be part of our 2020 – 2021 (40th Anniversary) Season. The entire season will be announced at a later time.

If you have tickets, not part of a Season Tickets package, to any performance of *Murder on the Nile* and/or *Arsenic and Old Lace* you will be contacted by our Box Office via telephone during the next week. We greatly appreciate your patience as we manage these unexpected changes.

As a non-profit organization, the adjustments to our season will have a major fiscal impact on PowPAC. However, the safety of our community and our volunteers is paramount to us; we are forever thankful having you as vital part of our community.

We have multiple options for current ticket holder for *Murder on the Nile* and/or *Arsenic and Old Lace*

- ❖ **Ticketing Transfer:** You may transfer your ticket to a performance during the month of May to see a performance. This transfer will be completed at no additional charge to you.
- ❖ **Tax-Deductible Donation:** As a non-profit organization, the loss of revenue, at this time, will be significant to PowPAC. Your donation supports PowPAC which allows us to continue creating quality theatre at an affordable price to you, our audiences. Your donation is 100% Tax-Deductible (as defined by Federal and State tax laws). We hope you will consider this option; and possibly consider an additional donation to PowPAC as we manage our way through these fiscally difficult times.
- ❖ **Refund:** If you need to receive a refund at this time, we at PowPAC understand. We hope you will return for productions during our upcoming 40th Anniversary Season.

On behalf of our Board of Directors, Managers, and Volunteers, and the Casts and Crews of *Murder on the Nile* and *Arsenic and Old Lace*, we thank you for your patience and support. We will continue to monitor the guidelines and mandates of the virus and keep you informed of any additional changes. PowPAC thanks you for your help in keeping our community safe, as we work together to get through these challenging times.

Sincerely,

Brent A. Stringfield ~
President
