Witness for the Prosecution

by Agatha Christie

Director: Kira Blaskovich

Producer: Dorothy Courtney

Leonard Vole stands accused of murdering a rich widow. The stakes are high with shocking witness testimony, impassioned outbursts from the dock and a young man's fight to escape the hangman's noose. Generally regarded as one of Christie's most accomplished plays, this suspenseful thriller keeps audiences guessing until the very end.

Sep 15 – Oct 8, 2023

Passing Conversations

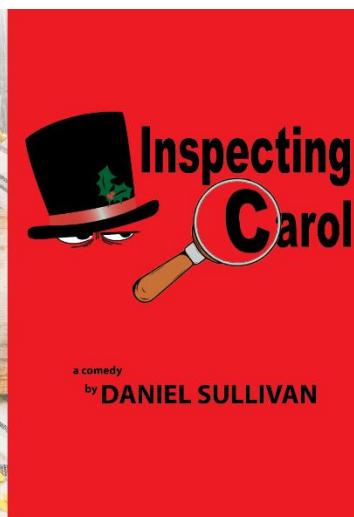

by Brent A. Stringfield

Director: Kelli Harless

Producers: Joel Colbourn

& Lynn Wolsey

An acclaimed playwright returns to his Connecticut home during the final days of his terminal illness. Family and friends stop in to see Terrence and have the conversations that so many of us wish we could have with someone we love. Peppered with comedic moments, common sense and camaraderie, we are left with a sense of hope, faith and a little good fortune.

Nov 17 – Dec 10, 2023

Inspecting Carol

by Daniel Sullivan

Director: Deb Zimmer

Producer: Linda Snyder

A Christmas Carol meets *The Government Inspector* meets *Noises Off* in this hilarious hit from Seattle. A man who asks to audition at a small theater is mistaken for an informer for the National Endowment for the Arts. Everyone caters to the bewildered wannabe actor, and he is given a role in the current production, *A Christmas Carol*. Everything goes wrong and hilarity is piled upon hilarity. Perfect any time, this delight is particularly appropriate at Christmas.

It's Only a Play

by Terrence McNally

Director: Larry Steckling

Producer: Mickey Zeichick

It's opening night on Broadway, and producer Julia Budder is throwing a lavish party. Celebrities are arriving, but the real action is upstairs in the bedroom, where a group of insiders (the playwright, the director, the leading lady, and the playwright's best friend (who passed up the role for a television series) are awaiting the reviews. Add a critic who previously panned the playwright and an aspiring singer, and you have the recipe for a hilarious show!

Mar 22 – Apr 14, 2024

Ordinary People

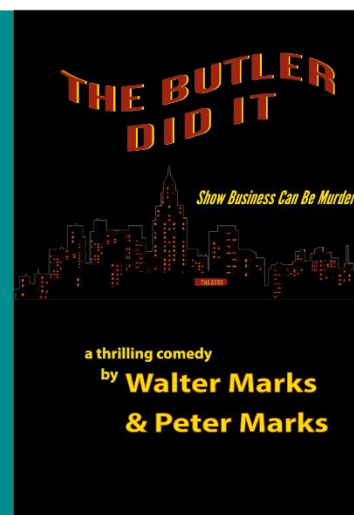

by Nancy Pahl Gilsenan

adapted from the novel by Judith Guest

Director: Brent A. Stringfield

Producers: Lynn Wolsey

Conrad Jarrett had an older brother named Buck, and now Buck is gone. What's left of young Conrad's family – his successful, well-intentioned father and his beautiful, but remote, mother – is in jeopardy, as is Conrad himself. They are "ordinary people," each fighting a difficult battle. This play goes to the essence of a young man, his friends and family, their relationships and, ultimately, survival.

May 17 – Jun 9, 2024

The Butler Did It

by Walter Marks & Peter Marks

Director: Dennis Floyd

Producer: Darrell Datté

Anthony J. Lefcourt, writer and director, is rehearsing his new play – a "classic whodunit" – in which all the characters are named Butler. Eager to draw out the best possible performance from each cast member, he stages the "murder" of an actress, after which the plot begins to twist and turn with such dazzling ingenuity—and hilarity—that actors and audience alike lose track of what is real and what is only make-believe.
