

ELDEN DAVISSON MEMORIAL SCHOLARSHIP

APPLICATION INFORMATION

Any graduating student from your school is eligible for the Elden Davisson Memorial Scholarship. Independent Study students are also eligible if they can demonstrate active participation in and future plans for theatre involvement.

The PowPac Scholarship Committee will review all applications received by May 15th, select the winning student/students, and advise the school accordingly. Applications received after the required due date will not be considered for an award.

Completed applications, with any additional documentation should be mailed to:

PowPAC Scholarship Committee
Attn: Joye Davisson
13250 Poway Road
Poway CA 92064

Please note:

1. Applicants need not be performers. PowPAC values backstage, design, writing, and administrative talents.
2. The scholarship certificate will be presented at the winning school's Senior Awards Night or at some other time designated by the school's coordinator.
3. The "Teacher's Comments" section is a great help to our selection committee. Students should allow adequate time for a teacher to complete his or her comments. Independent Study students should have this section completed by directors and/or producers with whom they have worked recently. More than one person may submit comments on their work.
4. Applicants, teachers, directors, and producers, are welcome to submit additional supporting data with the application forms.
5. Applications must be received at PowPac by May 15th.
